

THE PROMISE AUCTION

Because promises are worth keeping....

WELCOME TO AN EVENING OF COCKTAILS & PROMISES

FRIDAY 19TH MARCH 2010

Enjoy an enchanted evening with friends on Friday 19th March at the beautiful Remuera home of Kim and Rob Hamilton.

Your evening will begin with a complimentary 'Promises Cocktail'. There will be delicious food and drinks available throughout the evening, along with live music and entertainment.

The Auction of Promises will give you the opportunity to bid on a magical range of promised goods and services donated from our community. This will be our major fundraiser for Victoria Avenue School for 2010. All funds raised will contribute to our new outdoor area behind rooms 7-10 which we hope to build next summer.

Parents new to the school are especially welcome – this is a great chance to meet your wider school community. Friends and family are also very welcome. Tickets will be on sale soon.

If you can help with the event, prior to or on the night, or if you can donate an auction item, please complete the section below and return it to school.

Looking forward to a fun night.
